Honorary Vaquero

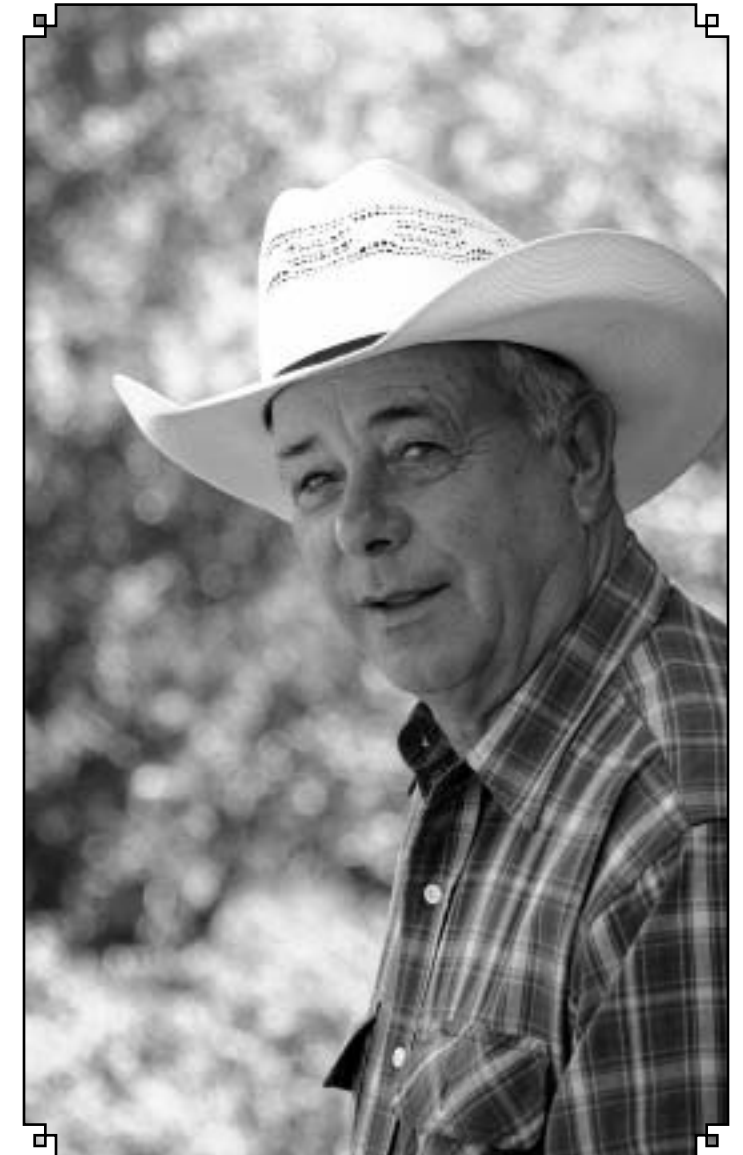

Tyke Minetti

Tyke was the first of three children born to Clarence and Rosalie Minetti in Santa Maria on January 19, 1943. He was raised on the Corralitos Ranch in Guadalupe, and upon graduation from Santa Maria High School in 1960, Tyke began his tenure working on the ranch. Today he is the ranch manager overseeing hay production, a cow/calf operation and horse breeding as well.

As far back as Tyke can remember there was always a stallion on the ranch and the family raised their own horses. He was very fortunate at a young age to have his father to guide him on how to handle and train young horses, and the job of starting the colts for the ranch was given to him. This led to his love of training and showing cow horses. In 1966, Tyke had his first of 12 wins in the stock horse division at the Fiesta Horse Show. For each of these victories he was awarded a beautiful hand tooled saddle.

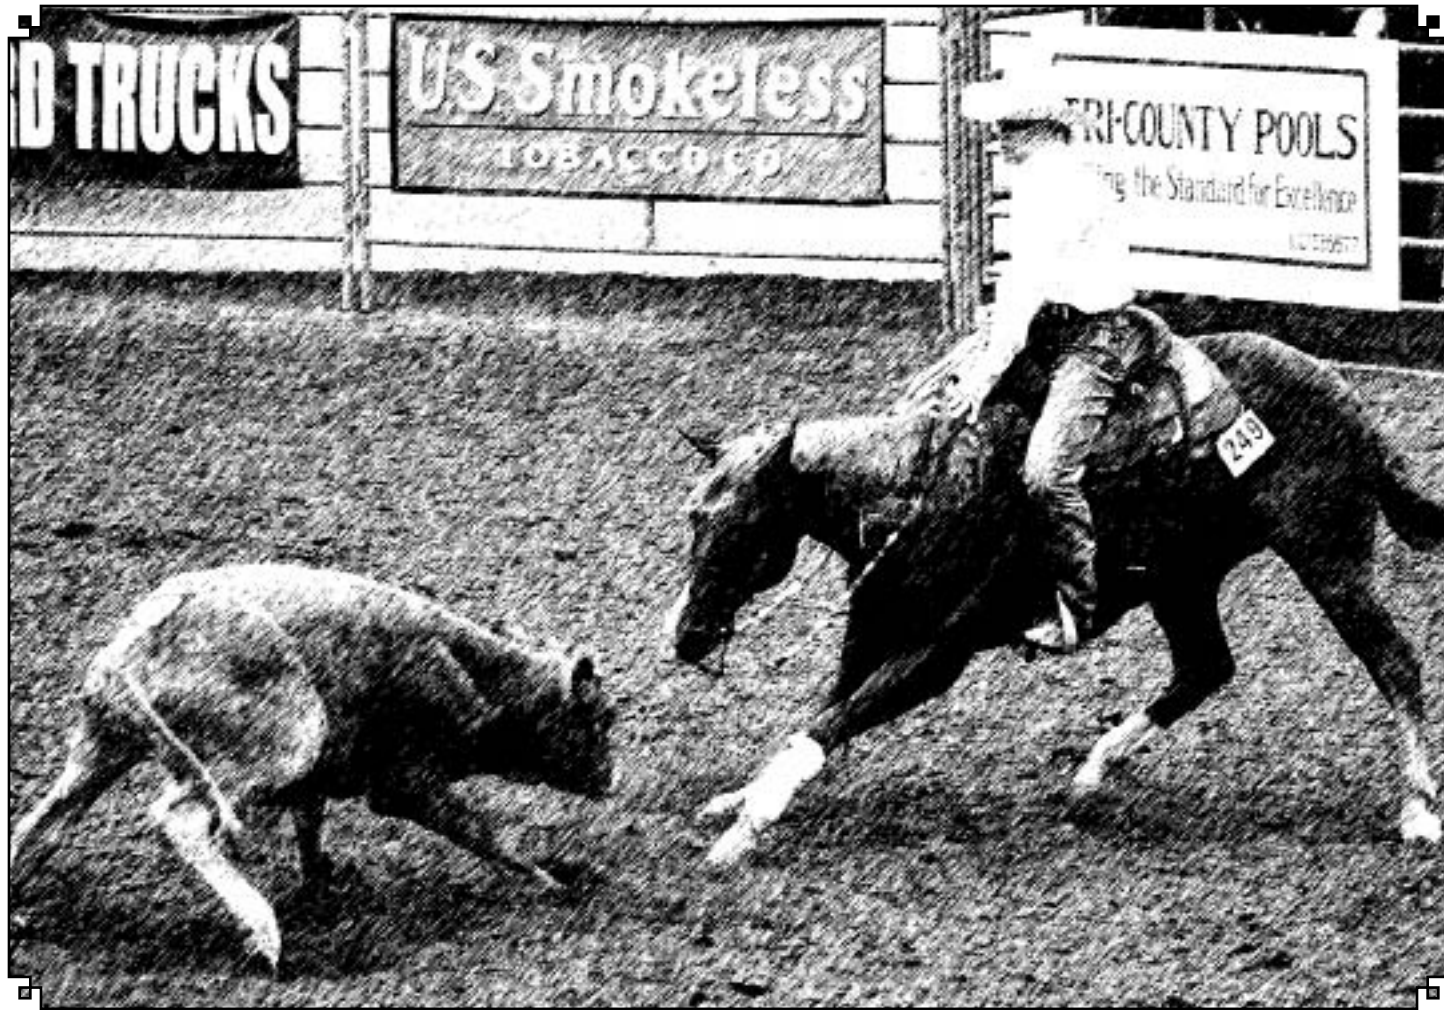

During his career showing horses he won 21 saddles and seven bridles. The majority of these victories were achieved on horses that were born, raised and trained on the ranch in Guadalupe. Many horses that were born and raised on the ranch also went on to win many competitions with various owners/riders throughout the United States. Tyke's efforts producing quality horses and cattle were recognized in 2008 when he was named Livestock Producer of the Year at the Santa Barbara County Fair; he was also inducted into the Guadalupe Sports Hall of Fame that same year.

Although his days in the arena showing horses have come and gone, Tyke still enjoys watching local competitions and seeing the next generation of cow-horse competitors come up through the ranks. Today he is busy managing two cattle ranches on opposite sides of the Santa Maria Valley while still dedicating a great deal of time to his family. They include his wife of forty-four years, Sheryll, and their children, Tommy and wife, Sara, along with Michelle, and husband, Jaysen. Other joys in his life today involve his four grandchildren, Kyle, Brooke, Kayla and Grace Minetti. Their participation in sports and 4-H keep their grandparents active and proud. Tyke has also had a

lifelong love of fishing and hunting which he takes time to enjoy as well as attending brandings and working cattle with neighboring ranchers.

He would like to thank the committee for the honor of being selected as this year's Old Spanish Days Stock Horse Show and Rodeo Honorary Vaquero. He was especially honored to be part of the first father and son duo of honorees and looked forward to sharing this recognition with Clarence, until his untimely death in March. He knows his Dad will be looking down from above saying "Viva La Fiesta" to all of the fans and competitors.

Saddle to the Winners

The Open Ranch Horse Class will run on Saturday following the roping events, with awards during Saturday night performance.

This is a TIMED EVENT consisting of a team of two, with the Judge present for any disqualifications. Contestants can only enter once. There will be a time limit of five (5) minutes to complete all phases of this unique event. Fastest time to complete class wins. This is a team event open to Tri-County Residents and Tri-County Horses.

The arena will be divided into two sections with 30 numbered cattle on one end and a small pen on the other end. There will be an alley projecting toward the herd.

Two riders will enter the herd side arena through the alley. Time will start at this point. Your number will be called (i.e. #7). There are (3) number 7's. One of the #7's will be a different color than the other two. The team will then put these three

numbered cattle through the alley to the other half of the arena.

At this point, the team will separate the two like-colored (numbered) cattle back through the alley to the herd leaving the odd colored number in the other half of the arena.

One of the riders will then proceed to the far end of the arena, opening the gate to the small pen. The team will then put the remaining steer in the pen and close the gate. They will then head and heel the steer (one leg catch is a 5 second penalty). You will get three loops. Time will stop when the steer is headed, heeled and the rope tight. Calf must be headed before it can be heeled. Legal head catch is around the neck or neck with one front leg.

Rules for Disqualifications:

Any roughing of the cattle as determined by the Stock Horse Chairman (i.e.: running into the fence, choking down, etc.).

Any # cattle that were not called that enter the non-herd side of the arena. This does not apply when the riders are in the pen roping.

HIGH POINT: Buckle to 1st place, horse sheet to reserve.

CLASS SPECIFICATIONS

Walk/Trot 11 & under. Same as other age classes except not required to lope. Exhibitors are eligible for walk/trot only.

Reining patterns will be specified on class list.

COWBOY RANCH TRAIL

This class contains a course with a minimum of six obstacles and is designed to show a horse's ability and willingness to perform several tasks that

might be asked during the course of a normal day's ranch work.

Whenever possible, realistic or natural obstacles are encouraged and the course should be set outside an arena using the natural terrain of the land.

The horse will be judged on three gaits:-walk, trot and lope performed between the six obstacles, to be determined.

A horse will be rewarded with higher credit for performing these gaits on the correct lead and with an alert attitude.

Mandatory obstacles include opening, passing through and closing a gate and dragging a log either in a straight line or around a set pattern.

The third mandatory obstacle requires the horse to remain quiet while the rider dismounts, removes the bit completely from the horse's mouth and re-bridles, and then picks up all four of the horse's feet. Optional obstacles include crossing a water hazard, being hobbled or ground tied, and crossing a bridge.

A good working outfit is encouraged and will count over silver equipment and show attire.

STOCK/RANCH HORSE CONFORMATION

The goal of the ranch/stock conformation class is to preserve Ranch Horse type by selecting well-mannered horses based on the resemblance to the breed ideal.

Horses should have a positive combination of balance, structural correctness and movement with appropriate breed and sex characteristics, along with adequate muscling.

Horses are to be shown in a good working halter (rope, braided, nylon or plain leather).

Horses will walk to the Judge, one at a time, then trot straight to a cone. At the cone, the horse will continue trotting, turn to the left and trot toward the left wall or fence of the arena.

After trotting, horses will be lined up head to tail for individual inspection by the Judge.

The Judge shall inspect each horse from sides, front and rear. All sexes will be shown together as one class.

RANCH COSTUME CLASS

Viva La Fiesta

This class reflects the spirit of the Vaquero tradition, including Fiesta, Vaquero & Working Cow Horse lifestyle.

Horse, tack and rider are included in the evaluation.

COWBOY RANCH RIDING

This class shows the horse's ability to move at a working speed with the rider.

Horses will be shown at three gaits: walk, trot and lope, in each direction of the arena.

Contestants will be asked to change directions while on the rail, stop and back.

A horse will be given credit for traveling with head held in a normal position, ears alert and moving at a natural speed for the gait requested.

Credit will also be given for making a smooth transition between gaits, maintaining the correct lead and for keeping the gait until the judge asks for a change.

A contestant must show with only one hand on

the reins, unless the horse is five years old or younger and is being shown in a snaffle bit or hackamore (bosal).

A good working outfit is encouraged and will count over silver equipment and show attire.

HORSE SHOW HIGH POINT AWARDS

High point awards will be based on one horse/ rider combination.

If a rider shows more than one horse, only the highest ribbon will count towards show championship.

A person must have placed in two (2) or more classes to qualify for the high point award.
